Good morning SEVIS,

We have received a Recertification Status reminder this morning, it is to expire 9/26/2025, 30 days remain. We are currently in Pending Status and our SEVIS I-17 Recertification has been pending since June 2024. Confirming we remain in compliance with SEVIS.

I spoke with Delon SEVIS help line this morning, Ticket #SRC001066105, regarding the protocols and he confirmed that while we are in Pending Status we are in a holding pattern until we have the Approval to upload our Recertification I-17 documents. Delon said our documents would not be accepted by SEVIS until adjudication, please confirm. He also mentioned we have until 09/25/2025 11:59 pm EST to upload and pay for the SEVIS Recertification. Delon stated if the date is not altered for an additional 180 days, we would not be penalized by SEVIS while Pending Status.

Best regards,

Patricia Lang

Good Morning,

Thank you for your email. Your update is currently in queue for review. Since your institution's Form I-17, "Petition for Approval of School for Attendance by Nonimmigrant Students," is up for recertification, the petition will be reviewed with priority based on its Certification Expiration Date (CED). Please be advised that SEVP cannot offer a processing time for adjudication.

Thank you for your continued patience.

Respectfully,

Our records show that your certification in the Student and Exchange Visitor Information System (SEVIS) expires thirty (30) days from today, 01/26/2026. According to regulation at 8 CFR 214.3, your institution must file a Form I-17 recertification petition no later than its Certification Expiration Date (CED) in order to maintain SEVIS approval. To date, the Student and Exchange Visitor Program (SEVP), has not received your petition for recertification. As a result, you are hereby served this Notice of Intent to Withdraw your SEVP certification for failure to comply with recertification requirements.

This is your last and final notice to apply for recertification. You have thirty (30) days from today's date to successfully file a complete recertification package. Please be advised that timely compliance constitutes submission for recertification in SEVIS. Upload of the signed Form I-17 and upload of evidence in lieu of accreditation, if necessary.

Upload all documents via SEVIS.

Visit the SEVP website at <http://www.ice.gov/sevis/schools/recertification/> to download recertification documents and view detailed instructions.

If you have any questions concerning the recertification process, please call the SEVP Response Center at (703) 603-3400. If you experience technical difficulties with SEVIS, contact the SEVIS Help Desk at 1-800-892-4829 or SEVISHelpDesk@ice.dhs.gov.

This e-mail serves to notify you that your school must submit the Recertification Petition Package prior to the Student Exchange and Visitor Program (SEVP) Certification Expiration Date (CED). Your school's CED is now indicated in SEVIS.

NOTIFICATIONS

Federal regulation 8 CFR 214.3(h)(2) outlines the Recertification process. This e-mail serves as the 90 day notification of your CED. If you do not file for Recertification 30 days prior to the CED, you will receive a Notice of Intent to Withdraw. If you do not submit the Recertification package within 90 days of this notification, your school will be automatically withdrawn from the SEVP and you will not receive appeal rights.

EDITS TO I-17

SEVP recommends that you review your Form I-17 as soon as possible to determine if it is accurate and reflects your school's current operations. If you identify a change not previously reported to SEVP, you may complete the edits to your recertification filing. If you need to report a change ownership or change/add/remove sites, you must submit an update outside of the recertification petition.

To ensure timely processing of your update, please submit your update as soon as possible but no later than 60 days prior to the CED. Submitting an update does not change or extend the CED.

INSTRUCTIONS FOR RECERTIFICATION

In order to successfully file for Recertification, you must electronically submit the following documents at the same time:

Submit for Recertification via SEVIS by clicking the SUBMIT button. Only the PDSO can submit for Recertification. The PDSO must submit for Recertification on the same day he/she submits the Recertification package to ensure receipt of complete package.

- 2) Additional Evidence: If your school is not accredited by a U.S. Department of Education-recognized or SEVP-Identified accrediting agency, you must submit evidence in lieu of accreditation. Refer to the Additional Evidence Guide to determine what additional evidence is required. Additional evidence varies depending on school type.

If the information contained within Form I-17 accurately reflects your school and its operation, upload all required documentation via SEVIS.
